Assignment 21
Grant and Revoke.

1) Give Amit the right to change the ratings of the customers.

```
GRANT
      UPDATE ON customers TO Amit ;

REVOKE
      UPDATE ON customers FROM Amit ;
```

2) Give Manoj the right to give other users the right to query the Orders table.
```
GRANT
SELECT ON orders TO Manoj WITH GRANT OPTION;

 GRANT
SELECT ON Manoj.orders TO Seema;

 GRANT
UPDATE ON Manoj.orders TO Seema;
```

3) Take the INSERT privilege on Salespeople away from Ajita.

```
 REVOKE
INSERT ON salespeople
FROM Ajita;
```

4) Grant Abhijeet the right to insert or update the Customers table while keeping her
possible rating values in the range of 100 to 500.
```
CREATE OR REPLACE VIEW range_ AS
SELECT * FROM customers
WHERE rating BETWEEN 100 AND 500 WITH CHECK OPTION;

 GRANT
UPDATE ON range_ TO Ajita;

INSERT INTO range_
VALUES(3000,'rakesh','bikaner',700,88),
(3000,'Sarang','Krushna',900,008) ;
```

5) Allow Vikram to query the Customers table, but restrict his access to those customers whose rating is the lowest.

```
CREATE OR REPLACE VIEW restrictmin AS
SELECT * FROM customers
WHERE rating NOT IN
   (SELECT min(rating) FROM customers);

 GRANT
SELECT ON restrictmin TO Vikaram;
```
